

MODEL : PHANTOM II

FEATURE-RICH
VERSATILE
CLASSY

X-Glass
Screen

Get more than you bargained for with the Phantom II!

The Phantom II laptop combines the latest Intel Centrino Duo mobile technology with the astonishing graphics performance of the dedicated ATI X1600 graphics card. The stunning, high-contrast 15.4" WXGA X-Glass screen will display life-like high-definition viewing experience and is ideal for 3D gaming, digital photography, watching the latest movies or any other graphic-intensive applications. With optional extras to include TV Tuner, this is a versatile performer that transforms your laptop into a mobile, digital entertainment centre.
